

CPD REQUIREMENTS

AND 2018 ANNUAL CPD SUBSCRIPTION PACKAGES WITH SAIT

CPD Requirement

Criteria as laid down by SARS is as follows:

- Minimum of 15 tax-related CPD hours per year
- 60% of tax-related CPD must be verifiable by the controlling body
- 40% of tax-related CPD may be non-verifiable CPD provided that the controlling body requires its members to record their CPD and furnish details to the controlling body if required
- CPD records of individual tax practitioners must be retained for five years.

2018 Annual CPD Subscription Package

Following discussions with SAIT, we have once again negotiated a special deal for registered CIMA Tax Practitioners. This service offering will incorporate all relevant Tax CPDs impacting SARS tax practitioners and thus give you the tools to complete the CPD requirement of 15 hours per annum for registered tax practitioners.

This annual subscription package runs from 1 November 2017 to 31 October 2018. Please note that registration for the packages will close on 31 March 2018. In registering you should use the special Promo Codes for CIMA Tax Practitioners as listed below. Please be aware that each promo code is unique to its particular package and use of the incorrect promo code/package will result in no access.
